Public Record's Request

Dear Bram Kranichfeld,

Pursuant to Vermont's Public Records Act, 1 V.S.A. 315-320, I hereby request copies of all video camera footage, audio recordings and formal reports made during the investigation into former Hartford Police Officer Frederick Peyton.

More specifically but not limited to, I am interested in body camera footage, other video camera footage, audio recordings from inside the cell, Hartford Police Department's report and request for review, retired Vermont State Police Trooper Daniel Troidl's report and review and the Attorney General's Office's findings in making the decision not to prosecute.

I am addressing this request to you in the belief that you are the custodian of such documents. If you are not, I request that you forward my request to the proper custodian of such documents and inform me of who that person is.

If some or all of my request is denied, please cite the exemption and please inform me of the appeal procedure, and to whom I may appeal.

I hope to hear back from you within the timeframe outlined in state law -- three business days.

If you have questions about this request, please call me at 603-727-3248.

Thank you,

Jordan Cuddemi
